About Us

College for Professional Studies is an associate of LBEF and a member of LBEF Group of Institutions. Lord Buddha Education Foundation (LBEF), founded in 1998, is a non-profit, non-government organization with a well-established tradition of excellence. With more than a thousand students studying at the LBEF Campus, we are also one of the leading IT colleges in the country. We have been evolving with the needs of the market and providing

courses sought after in various industries like IT and banking. Currently, LBEF Campus has tied up with Asia Pacific University of Technology & Innovation (APU), Malaysia to provide international Bachelor's and Master's degree programs in Nepal.

Since our inception as 'The First IT College of Nepal' LBEF has had more than 8,000 graduates who are successfully pursuing careers in IT, banking, government jobs and NGOs and entrepreneurship.
